

Atom And His Package, I'm Downright Amazed A

Me and Jan and Brian bought a pretty little home.
It was cheapish and we split and we're fixing it up.
So Mr. Sokol does everything rewires, fixes cracks.
I can only break walls, moves stuff, and get snacks.

And I am downright amazed at what I can destroy with just a hammer.
And I am downright amazed at what I can destroy with just a hammer.

Nails and drywall, paint haul, blah blah.
Move in, no sink, new broom, I think.
I bribed the garbage man!
I am a super bad boy again.

And I am downright amazed at what I can destroy with just a hammer.
And I am downright amazed at what I can destroy with just a hammer.

Brian, don't stay mad with us.
Come on, eat some food with us,
We own a home together.

And I am downright amazed at what I can destroy with just a hammer.
And I am downright amazed at what I can destroy with just a hammer.
