

# Atom And His Package, I'm Downright Amazed A

Me and Jan and Brian bought a pretty little hole.  
It was cheapish and we split and we're fixing it up.  
So Mr. Sokol does everything rewires, fixes cracks.  
I can only break walls, moves stuff, and get snacks.

And I am downright amazed at what I can destroy with just a hammer.  
And I am downright amazed at what I can destroy with just a hammer.

Nails in drywall, paint haul, blah blah.  
Move in, no sink, new broom, I think.  
I bribed the garbage man!  
I am a super bad boy again.

And I am downright amazed at what I can destroy with just a hammer.  
And I am downright amazed at what I can destroy with just a hammer.

Brian, don't stay mad with us.  
Come on, eat some food with us,  
We own a home together.

And I am downright amazed at what I can destroy with just a hammer.
