

Atom Tha Immortal, Acropolis

With all of the knowledge of the Egyptians/
The Jews, Muslims and Christians/
Mayan civil engineers and Aztec inscriptions/
Algorithmic encryption in heart of Japan/
The number of bits my brain transmits you can't scan/
Shannon Information forming from my mind's command/
Quantum computational thought changes/
The finite-states of animation/
That my brain housing encases/
...Deeper than political infiltration of Masons/
And more amazing than Interpretations of Copenhagen/
..Atom tha Immortal's in constellations/
Took the sword of Orion to cut through the fallacies of the Pagan/
...You worship false methodology/
Making a hidden tautology/
Into a pillar of biology/
Mankind didn't result from random astronomy/
But from a process of Intelligent Teleology/
..The bridge, between science, thought and Theology/

Bridge:

We praise the Iron Lion of Zion
(x4)

Chorus:

"G-d that made the world and all thing therein, seeing that he is lord of heaven and earth, give

Them Southern cats ask me "What it do?"/
While Atom hits you with the Latin Nationalism of Pedro Albizu/
Campos, the way I drop bombs with them/
You'd swear I was training Iranian militant men/
The will of HaShem/
I could leave your city destroyed/
Like the a village in the Chiapas after Marcos deployed/
Son/
I from that IE hustle/
Where cats'll leave you dead in a scuffle/
Covered in shells like crab muscle/
...Atom aint bad to the bone/
Atom is bad to the genome/
Ripping niggas with a freestyle poem/
And the lyrics I own/
Honed like a sword in the stone/
Found a fountain of Living Water like Ponce de Leon/
Yo/
My crew will mangle your rhymes/
Like a 1000 arrows shot at an angle, launched at the exact same time/
Hitting enemy targets with the precision of laser guidance/
..Forget kindness, fighting the Secta 7 alliance.

(Bridge)

Chorus:

"Forasmuch then as we are the offspring of G-d, we ought to repent, because he hath appoin
