

Atom Tha Immortal, The Evil One

Who can match my magnificence and glory/
I am king over all/
I sit enthroned in the heart of the seas/
And all fear me/
I reign/
And my scepter extends unto the earth's ends/
I devour all the nations/
Underfoot I trample their remains/
Until nothing remains/
I reign by pain/
Who can comprehend my peace/
Who is like me/
Who can wage war against the Beast/
The foolish who have tried end up corpses/
Ruling by my forces/
I worship the god of fortresses/
Who has made me what I am/
I've evolved into the ultimate combination of god and man/
By my own right hand I withstand/
Any attack against my throne/
I shall reign forever/
In the house of my father/
The Dragon/
Who has given me power to slaughter/
And shake kingdoms from their places/
I am he who's conquered land from Babylon to cyber-spaces/
Till I am like the Most High/
I will give my praise to the Dragon, who is greater than I/

Chorus 1:

In the pride of your heart you say: "I am a god; I sit on the throne of a god in the heart of the sea"

Who is this coming from Bozrah bloodstained?/
The Omnipotent/
It is I, Y'shua the infinite/
Who dares to provoke me/
In my anger I will shatter the unrighteous and the unholy/
Now what are you, but a mere man/
Where were you/
When I laid the earth's foundation?/
Where were you when I measured off the heavens?/
Where were you when I parted the seas?/
Where were you when I revealed myself inside a burning tree?/
Where were you when I was crucified?/
Where were you when I came back to life?/
Where were you/
When I conquered death and saved Isra'el?/
Tell me if you know Son of Hell/
You are not a god, mortal man/
And yet you take a stand against me/
The Almighty Son of Man/
Therefore/
I shall come against you with war/
I'll trample you until your blood reaches the seashore/
There shall be no more mercy/
In the Day of my Wrath/
You will answer to the Son/
The earth is my inheritance/
And you shall be my footstool/
So has it been spoken/
And so shall it be done/

Chorus 2:

I saw heaven standing open and there before me was a white horse, whose rider is called Faithful
