

Atomic Bitchwax, Birth To The Earth

- Brian's version -

You got (????)

From the cradle to the casket

From the womb to the tomb Birth to the earth

Chorus:

Not everything that you touch will always turn to gold

Don't mind that smell on my breath, thats just my rotten soul

- Lou's version -

You got a crush then you should ask it,

- Andy's version -

You got a question you should ask it
