

# Atomic Kitten, Do What You Want

I saw you standing alone across the crowded room  
You look so fine oh baby  
But I knew you wouldn't make the move  
So what am I supposed to do with you  
Looking but you just don't act  
You gotta make your move  
And it aint in the groove  
Come on now baby don't hold back  
So you gotta  
Throw away your inhibitions  
Come on and make the man's decision  
Tell me now what is your ambition  
Show me all the things that I've been missing

(chorus)  
Do what you wanna  
Say what you gotta  
Be what you wanna be with me baby  
Sooner or later your gonna have to  
Do what you wanna do with me yeah

Out on the sidewalk  
You're acting like you just come out there  
Don't disappoint me baby  
I know that you're concerned that you care

So you gotta  
Throw away your inhibitions  
Come on and make the man's decision  
Tell me now what is your ambition  
Show me all the things that I've been missing

(chorus)

When you gonna show me that you understand (please baby X3)  
When you gonna treat me like your a man (Please baby X2)  
Come on show ya now

(chorus X2)

Do what you wanna (Do what you wanna)  
Be what you wanna (be what you wanna)  
Sooner or later your gonna have to  
Do what you wanna do with me yeah
