Atomic Kitten, Don't You Know

(Don't you know, Don't you know, Don't you know)

Chorus
Don't you know
I don't wanna be alone
But I wanna be in love
No I don't wanna be a fool for you
Don't you know
I Don't wanna hear you say
Yours has gotta be the way
You only do the things you want to do

All my days and all my nights
I sit up pouring is this right
Will you only take me for what you want
When you whisper in my ear, you make my problems disappear
Sometimes I don't know where you're coming from
I feel my senses turn around,
I can't believe the love I've found
Then I ask myself can this be wrong

Chorus

Somethings you just cant control, theres no way of letting go
You could let me down it only takes time
Things I may live to regret
Wishing that we'd never met
Hard to see my way but loves so blind
Oh my head is spinning round
Can't believe this feeling now
I wish I knew whats going on in my mind

Chorus

If you want what I want
But I see what you don't
We need some understanding
You gotta let me know
If I want what you want
And you see what I don't
Don't try and be demanding
You've gotta take it slow

Yeah Yeah Yeah

Chorus
Don't you know
I don't wanna be alone
But I wanna be in love (I don't wanna be alone)
No I don't wanna be a fool for you (I wanna be in Love)
Don't you know (No, no, no)
I Don't wanna hear you say (No, no, no)
Yours has gotta be the way
You only do the things you want to do (What you want to do)

Chorus
Don't you know
I don't wanna be alone (I don't wanna be alone)
But I wanna be in love (I don't wanna be alone)
No I don't wanna be a fool for you (I wanna be in Love)
Don't you know (No, no, no)
I Don't wanna hear you say (No, no, no)
