

# Atomic Kitten, It's Ok!

I remember all those nights I used to stay at home  
On the phone, all night long  
Used to talk about the things we really wanna do  
I believed in you

I remember how you used to say  
Have no fear, it'll be Okay  
When you told me anything you want is possible  
We could have it all

I believed in you,  
Must have been a fool,  
All my dreams were with you

I say, it's OK  
I can promise you it's all right  
You ain't keeping me up all night, no more  
You're not here but

It's OK  
I assure you babe it's all right  
You ain't keeping me up all night, no more  
You're not here but it's OK

Well now you got to where you wanted like I knew you would  
Cash, car, house - it's all good  
Is it why you never come around here, no more,  
Like you did before

Got it all that's the way it seems  
Blokes like you, live your dreams  
And I hope you're loving tenderful and better now  
When I'm not around

I believed in you,  
Must have been a fool,  
All my dreams were with you

I say, it's OK  
I can promise you it's all right  
You ain't keeping me up all night, no more  
You're not here but

It's OK  
I assure you babe it's all right  
You ain't keeping me up all night, no more, no more  
You're not here but it's OK

It's alright and it's OK and  
It's alright and it's OK and  
It's alright and it's OK and  
(you're not here with me)  
It's alright and it's OK and  
It's alright and it's OK and  
It's alright and it's OK and  
(you're not here with me)

I say, it's OK  
I can promise you it's all right  
You ain't keeping me up all night, no more  
You're not here but

It's OK  
I assure you babe it's all right

You ain't keeping me up all night, no more, no more  
You're not here but it's OK

It's alright and it's OK and  
It's alright and it's OK and  
It's alright and it's OK and  
(you're not here with me)
