

Atomic Kitten, Maybe I'm right

Mmm...

Baby baby, uh yeah

The moon covers the sun

For longer than one night

I spill my water and it slowly falls upright

I look out the window and see the grounds over my head

Maybe I'll just wait until you tell me instead

Maybe I'm right maybe I'm wrong

Could this be something good

Maybe I'm weak maybe I'm strong

Or I misunderstood

Maybe it's time to open my heart

So my head's not upside down

If you could give me that something

You turn my life around

I see a mother crying

As a baby comes down

As I'm flying alone

As I'm walking through the clouds

I ain't want a training

And it's freezing in the sun

But inside I'm smiling

Cause I know you're the one

Maybe I'm right maybe I'm wrong

Could this be something good

Maybe I'm weak maybe I'm strong

Or I misunderstood

Maybe it's time to open my heart

So my head's not upside down

If you could give me that something

You turn my life around

The show must go on

Even if my heart stand still

And the road could be long

Cause I don't know how you feel

Maybe I'm right maybe I'm wrong (Ooh)

Maybe I'm weak maybe I'm strong (Yeah yeah yeah)

Maybe it's time to open my heart (could this be something good)

If you could give me that something (you)

Maybe I'm right maybe I'm wrong

Could this be something good

Maybe I'm weak maybe I'm strong

Or I misunderstood

Maybe it's time to open my heart

So my head's not upside down

If you could give me that something

You turn my life around

You turn my life around

You send me upside down

You open up my heart

I knew it from the start
