

# Atomic Kitten, No-One Loves You Like I Love You

You and I once shared love  
So strong and so secure  
But all that's left are memories  
The feelings are no more  
The flowers in the big field  
All dried and blown away  
The letters and the pictures  
Are all that will remain

But every moment  
Of every day  
I wanna see you  
I wanna say

No one loves you like I love you  
No one needs you, the way I do  
No one knows you, like I know you  
No one hears you, the way I do

So many years of memories  
Suppressed beyond recall  
The feelings once so broken  
Seem silent and so small

But every moment  
Of every day  
I wanna see you  
I wanna say

No one loves you like I love you  
No one needs you, the way I do  
No one knows you, like I know you  
No one hears you, the way I do

No one loves you like I love you  
No one needs you, the way I do  
No one knows you, like I know you  
No one hears you, the way I do

But every moment  
Of every day  
I wanna see you  
I wanna say

No one loves you like I love you  
No one needs you, the way I do  
No one knows you, like I know you  
No one hears you, the way I do

No one loves you like I love you  
No one needs you, the way I do  
No one knows you, like I know you  
No one hears you, the way I do
