

# Atomic Kitten, Right Now

Making me feel that I'm wanted  
Is making me see that you know what I need  
You're breaking the rules 'cos you want it  
There's so much you can do that will make  
me see that  
Making me love and adore you (baby)  
Is making the most of the way that I feel  
I'm taking a chance moving for you  
'Cos when you touch me i just can't believe  
that it's real  
So come on baby do it to me good now  
Do it to me slowly (oh yeah)  
Be the one and only (ah ha, yeah)  
And do it to me right now  
Baby, baby  
Make me believe that you want it  
And make me believe that you'll always be true  
You better not lie or deceive me  
If you do then we're through so it's up to you  
To take me places I've never, ever been able to go  
You're taking it higher and higher baby  
You know that it's so, get on let's go  
So come on baby do it to me good now  
Do it to me slowly (oh yeah)  
Be the one and only (ah ha, yeah)  
And do it to me right now (do it oh yeah, yeah,  
yeah, yeah...)  
Like you said you would (ah ha, yeah..)  
And do it to me right now (right now..)  
There's a party in my head  
But you should have been in bet with me now  
(what ya say, what ya say, yeah..)  
Yeah, yeah, yeah, yeah..  
So come on baby do it to me good now  
do it to me slowly  
(come on, baby)  
Be the one and only  
(Ah ha, yeah)  
And do it to me right now  
(And be the one and only)  
And come on baby do it to me good,  
do it like you should  
(Oh, yeah)  
Like you said you would  
(Ah ha, yeah)  
And do it to me right now  
(do it to me right now)  
So come on baby do it to me good now  
do it to me slowly (slowly)  
Be the one and only  
(Oh yeah)  
And do it to me right now!
