Atomic Kitten, The Last Goodbye

Ain't no headlights on the road tonight
Everybody here is sleeping tight
Ain't nobody gonna find us here,we'll disappear
There's a dancer in the arms of love
And he's dancing on the sky above
And the truth is that we'll never know where love will flow

Aim high shoot low (gotta aim high and shoot low baby)

(chorus)
Ain't no headlights on the road tonight
Ain't nobody here to make it right
Cause we couldn't seem to find a way, for love to stay
If you had another night to give
I would have another night to live
But you never gonna see me cry the last goodbye

Is it cloudy where you are tonight?
Are the neon lights shining bright?
Are you looking for a place to stay, to get away?
And the days are horses down the hill
Running fast with no time to kill
And the truth is that we'll never know where love will flow

Aim high shoot low (gotta aim high, shoot low baby)

(repeat chorus)

If I could do it over, I'd do it all again
And if I got one more chance I wouldn't change a thing

Aim high, shoot low (aim high, shoot low)

(repeat chorus)x2
