

# Atomic Kitten, The Tide Is High(Soundtrack Versi

I've a little hunch that there is something going on now  
The clothes I brought, the friends I've got  
My teacher had a meltdown

Then I look at me  
And I start to see  
And a voice inside tells me what I must do

Wake up, who knew, it's me, it's you  
Get a clue  
It's there inside of you

(Oh yeah, that's right)

Get a clue  
There's nothing you can do

And nothing's ever quite what it seems  
Just look a little closer at me  
Wake up, who knew, it's me, it's you  
Get a clue

(That's the way it goes now)

Did you ever see the world around you change before your eyes  
The people you ignore before they took you by surprise

Then you look at me  
And I start to see  
That something happens when I'm next to you

Wake up, who knew, it's me, it's you  
Get a clue  
It's there inside of you

(Oh yeah, that's right)

Get a clue  
There's nothing you can do

And nothing's ever quite what it seems  
Just look a little closer at me  
Wake up, who knew, it's me, it's you  
Get a clue

(Oh yeah, that's right)  
(That's the way it goes now)  
(Oh yeah, that's right)

The first one came on a Tuesday afternoon when I first saw you  
The next one came to my surprise when I found out what I had to do  
Take a photograph of me  
Hang it in a gallery  
Sit around and watch TV  
Turn around and then you look at me  
Yeah, yeah

(Rock the mike!)  
(Oh yeah, that's right)
