Atomic Kitten, Whole Again

If you see me walking down the street Staring at the sky And dragging my two feet You just pass me by It still makes me cry But you can make me whole again

And If you see me with another man Laughin and jokin doing what I can I Won't put you down Cuz i want you around You can make me whole again

[Chorus]

Looking back on when we first met
I can not escape and i can not forget
Baby you're the one, you still turn me on
You can make me whole again
Time is layin' heavy on my heart
Seems I've got too much of it
Since we've been apart
My friends make me smile
If only for while
You can make me whole again

[Chorus]

Lookin' back on when we first met I can not escape and I can not forget Baby you're the one, you still turn me on You can make me whole again

For now I'll have to wait
But baby if you change your mind
Don't be too late
Cause I just can't go on
It's already been too long
But you could make me whole again

[Chorus]

Lookin' back on when we first met I can not escape and I can not forget Baby you're the one, you still turn me on You can make me whole again (repeat and fade)
