

# Atomic Kitten, You Are

Maybe you think you're not right for me  
That you'll never be everything I need  
Well I tell you straight from my heart  
You are you are  
If you don't think that you've got the pedigree  
That you're not someone who can talk to me  
Well I'll tell you straight from my heart  
You are you are  
chorus  
You are you are my reason  
You are the air I'm breathing  
Ask who's in my heart, you are you are  
If ever I wanted to run away  
I'd go only if you would come with me (far way)  
'cause no one can talk to my heart like you are,  
you are  
Oh, if I do you what you do for me  
If I'm on your mind every time you sleep (In your  
dreams)  
Say the worlds and matter how far  
I'll be where you are  
You are you are my reason (my reason)  
You are the air I'm breathing (that I'm breathing)  
Ask who's in my heart, you are you are  
ooh I wish you'd ask me how I feel  
I'd say that I'm infatic  
Ooh and when you're near to me  
This urgency is automatic  
Ooh you're my addiction boy  
And I don't want to break the habit  
I'd say that you're in my heart  
You're in my heart  
Chorus  
Maybe you think you're not right for me  
That you'll never be everything I need  
Well I tell you straight from my heart  
You are you are  
If you don't think that you've got the pedigree  
That you're not someone who can talk to me  
Well I'll tell you straight from my heart  
You are you are  
Maybe you think you're not right for me (You are you are my reason)  
That you'll never be everything I need (You are the air I'm breathing)  
Well i tell you straight from my heart  
You are you are
