

Atomic Kitten, You Are (Single Edition)

Maybe you think you're not right for me
that you'll never be everything I need
well i'll tell you straight from my heart
you are you are

if you don't think that you've got the pedigree
that you're not someone who can talk to me
well i'll tell you straight from my heart
you are you are

You are you are my reason (my reason)
You are the air i'm breathing (that I breath in)
Ask who's in my heart, you are you are

If ever I wanted to run away (to run away)
I'd go only if you would come with me (You come with me)
'cause no one can talk to my heart like you are, you are
Oh if I do for you what you do for me (what you do for me)
If i'm on your mind everytime you sleep (in your dreams)
Say the words and no matter how far
I'll be where you are

You are you are my reason (my reason)
You are the air i'm breathing (that i'm breathing)
Ask who's in my heart, you are you are (and you are Oh im loving you!)

Ooh I wish you'd ask me how I feel
I'd say that I'm infatic
Ooh and when you're near to me
this urgency is automatic
ooh you're my addiction boy
and I don't want to break the habit
I'd say that you're in my heart
You're in my heart

You are you are my reason (my reason)
You are the air i'm breathing (Your my reason)
Ask who's in my heart, you are you are (and you are!)

Those are the things that are right with me,
Dreaming of being, everything I need
We'll I'll tell you straight from my heart,
You are, you are

You got the part of breathing
Dream of someone that could talk to me
We'll I'll tell you straight from my heart,
You are, you are

Those are the things that are right with me,
Dreaming of being, everything I need
We'll I'll tell you straight from my heart,
You are, you are my reason,
you are the air, im breathing,
ask whos in my heart you are you are.
