

# Atomic Rooster, Play it again

And On The Other Side Of Town  
There Fell A Silence Of A Past And A Distant Sound.  
And In A City Underground  
There Came A Hush, Do We Know What's Going Down?  
Can We Ever Hear The Same  
Haunting Songs That Makes Us Play It Again.  
And Again, We'll Play It Again,  
Play It Again, Play It Again.  
Play It Again, Play It Again.  
I Want To Hear That Song Again.  
Whatever Happened To The Band  
Who Strike The Chords For A Theme That Has No End?  
And If We Had The Chance, But Then  
What Will We Play?  
Will We Play It Again?  
And Again, And Again, And Again - Play it Again.  
Play It Again, Play It Again,  
We Want To Hear That Song Again.  
Play It Again, Play It Again,  
We Want To Hear That Song Again!  
And Again, Oh, Play It Again,  
We Want To Hear That Song Again.  
Play It Again, Play It Again,  
We Want To Hear That Song Again!  
Whatever Happened To The Band  
Who Strikes The Chords That Makes Us  
Play It Again And Again And Again.  
Play It Again And Again And Again,  
Play It Again, Play It Again,  
Play It Again, Play It Again,  
I Want To Hear That Song Again.  
And Again, Play It Again  
Play It Again, Play It Again,  
Play It Again, Play It Again,  
And Again And Again.
