

Atomic Rooster, Tomorrow Night

When I Wake Up In Your Bed,
I Can Still Hear What You Said
Like A Bad Dream I Can't Fight,
Tomorrow Night
Am I Lying Here Next To You?
Am I Thinking I Need To
Really Love You Do It Right,
Tomorrow Night
Time Goes So Slow When You're Gone
Days Turn To Years, It Seems so Long
If You Still Feel Like Today,
If Tomorrow's The Same Way,
Then I Know It'll Be Right,
Tomorrow Night
Can't You Trust Me To See It Through?
Can't You Wait 'till I See You?
When You're Working, You're Uptight,
Tomorrow Night
Time Goes So Slow When You're Gone
Days Turn To Years, It's Seem So Long
When I Wake Up In Your Bed,
I Can Still Hear What You Said,
Like A Bad Dream I Can't Fight,
Tomorrow Night
Am I Lying Next To You?
Am I Thinking I Need To
Really Love You Do It Right,
Tomorrow Night.
