Hey little boy, I got a song for you.
I wanna show you what you gotta do.
Shake your Bum Bum every night and day
Would you please please take me away.

Hey little boy, don't you look like a fool
Dance like a star cause you could be cool.
You can be what you wanna be
Why don't you dance with me

Ti sploh ne veš - kaj zamujaš.
Zaman se trudiš - premalo mi ponujaš ...

You wanna have some fun - jst sm tvoja bejba
Let me be the one - your turbo polka bejba
You wanna have some fun - jst sm tvoja bejba
Heija eja ejga - turbo polka bejba

Hey little boy, start shaking your hips
Look at my feet, and not at my lips.
Shake your Bum Bum every night and day
In a turbo polka way.

Hey little boy, please show me your move.
I need a man with a super groove
You can be what you wanna be
Why don't you dance with me

Ti sploh ne veš - kaj zamuja.
Zaman se trudiš - premalo mi ponujaš ...

You wanna have some fun - jst sm tvoja bejba
Let me be the one - your turbo polka bejba
You wanna have some fun - jst sm tvoja bejba
Heija eja ejga - turbo polka bejba
