

Atozzio, Gotta Get Me One

I gotta get me one of those..
Sexy.. Classy.. One more times?

[Verse 1:]

I want a girl who knows how to carry herself
Can handle everything herself
And, she reminds me of my momma
She's the type that work hard everyday
She always keep her own bills paid
The real definition of a "Ride or Die" girl

[Bridge:]

She's so fine
Back to the bar
She's a big deal
That every man want
Might decide
She's a super woman

[Chorus:]

Gotta get me one of those (Oh)
'Cause my daddy had one and it made my momma
Gotta get me one of those girls
If I have wait my whole life
Gotta get me one of those (Oh)
That can be my back bone and make my house "home"
Gotta get me one of those
Ohh Ohh Oh

[Verse 2:]

I want a girl
I can see myself with 20 years from now
Have a couple kids a dog and a house
To carry up and down
To try to work it out
My better half
I can always make you smile with you're mad
You're the first I told "I love you" and the last
The real definition of a "Ride or Die" girl

[Repeat Bridge:]

[Repeat Chorus: (2x)]
