

Atreyu, My Fork In The Road

So here, we are again the same fork in the road
I hate you, you love me this story's getting old
The day that I opened up you shut me out for good
Forgive, forget, fuck you, you are a liar and a whore
So take what you want and leave
You'll never get another part of
I remember the day that, I thought I would be free
I poured out my soul to you exposed everything
The next thing I know my heart is broke
My hand it's much the same I did my best to drink you away
So take what you want and leave
You'll never get another part of
You are poison on man's lips
Lured in by the curves of your hips
Come here boy, stand by me
Look my way, have another drink
I should have got up
I should have got up and left you
And I will never ever be you're lover again
As far as I'm concerned, we are not even friends
This may not seem too subtle to you
The point I'm trying to make is we are completely through
So take what you want and leave
You'll never get another part of
You are poison on man's lips
Lured in by the curves of your hips
Come here boy, stand by me
Look my way, have another drink
