

# Atreyu, Two Become One

(Verse 1)

Bang!

Explosions in my head that just won't quit.  
A train has crashed into the wall around my heart.  
And left me the old me dead, obliterated.

Stop!

My breathing in the night when you're not there.

The silence ringing through my ears,  
And all I want to do is hear your voice.

But you're not there.

Drawn together,  
Painter's brushstroke,  
Slight of hand we,  
We won't go up in smoke.

Fates colliding,  
Love undying.

(Chorus x2)

Like the rising tide  
Beating hearts grow but never die.  
Simplify, I'll stand by your side,  
Close my eyes, hope will never die.

(Verse 2)

Boom!

Take away the pain of being me.  
Soothe my soul, caress my heart and end my fear, all my bad memories,  
Eradicated.

Bang!

Like gunshots heard against the silent night,  
My love is stronger than these words; they're stronger than the rest.  
Unstoppable, unstoppable!

Drawn together,  
Painter's brushstroke,  
Slight of hand we,  
We won't go up in smoke.

Fates colliding,  
Love undying.

(Chorus x2)

Like the rising tide  
Beating hearts grow but never die.  
Simplify, I'll stand by your side,  
Close my eyes, hope will never die.

Will never die.

Die. (Long scream)

Drawn together,  
Painter's brushstroke,  
Slight of hand we,  
We won't go up in smoke.

Fates colliding,  
Love undying.

(Chorus x2)

Like the rising tide  
Beating hearts grow but never die.  
Simplify, I'll stand by your side,  
Close my eyes, hope will never die.

Will never die.

Die!
