

# Atreyu, When two are one/when two become one

BANG!

Explosions in my head that just won't quit

A train has crashed into the wall around my heart and left the old me dead

Obliterated

STOP!

My breathing in the night when you're not there

The silence ringing through my ears and all I want to do is hear your voice

But you're not there

Drawn Together

Painter's brush stroke

Sleight of hand

We won't go up in smoke

Fates colliding

Love undying

Like the rising tide

Beating hearts grow but never die

To simplify

I'll stand by your side

Close my eyes

Hope will never die

Like the rising tide

Beating hearts grow but never die

To simplify

I'll stand by your side

Close my eyes

Hope will never die

GO!

And take away the pain of being me

Soothe my soul caress my heart and

end my fear all my bad memories

Eradicated

RING!

Like gunshots heard against a silent night

My love is louder than these words

They're stronger than the rest, unstoppable

Drawn together

Painter's brush stroke

Slight of hand

We won't go up in smoke

Fates colliding

Love undying

Like the rising tide

Beating hearts grow but never die

To simplify

I'll stand by your side

Close my eyes

Hope will never die

(Never die)

Like the rising tide

Beating hearts grow but never die

To simplify

I'll stand by your side

Close my eyes

Hope will never die

Will never die

Drawn together

Painter's brush stroke

Slight of hand

We won't go up in smoke

Fates colliding

Love undying

Like the Rising tide

Beating hearts grow but never die

To Simplify

I'll stand by your side  
Close my eyes  
Hope will never die  
(Never die)  
Like the Rising tide  
Beating hearts grow but never die  
To Simplify  
I'll stand by your side  
Close my eyes  
Hope will never die  
Will never die  
(Never die)
