

# Atreyu, You Give Love A Bad Name

[BON JOVI cover]

[limited edition bonus track]

Shot through the heart and you're to blame  
Darlin' you give love, a bad name

Fuck you

An angel's smile is what you sell  
Promise me heaven, then put me through hell  
Chains of love, got a hold on me  
Passion's a prison, you can't break free

Whoa!  
You're a loaded gun  
yeah, whoa...  
There's nowhere to run  
No one can save me  
My damage is done

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your games  
You give love a bad name  
You give love a bad name

You paint that smile on your lips  
Blood red nails on your fingertips  
A school boy's dream, you act so shy  
Your very first kiss was your first kiss goodbye

Whoa!  
You're a loaded gun  
whoa...  
There's nowhere to run  
No one can save me  
The damage is done

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your games  
You give love a bad name  
You give love...

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your games  
You give love a bad name

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your games  
You give love a bad name  
You give love a bad name
