

Atreyu, You Give Love A Bad Name (Bon Jovi Cover)

Shot through the heart and you're to blame
Darlin' you give love, a bad name

Fuck you

An angel's smile is what you sell
you promise me heaven, then put me through hell
Chains of love, got a hold on me
when passion's a prison, you can't break free

Whoa!
You're a loaded gun
yeah, whoa...
There's nowhere to run
No one can save me
The damage is done

Shot through the heart
and you're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name
You give love a bad name

You paint that smile on your lips
blood red nails on your fingertips
A school boy's dream, you act so shy
Your very first kiss was your first kiss goodbye

Whoa!
You're a loaded gun
whoa...
There's nowhere to run
No one can save me
The damage is done

Shot through the heart
and you're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name
You give love...

Shot through the heart
and you're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name

Shot through the heart
and you're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name
You give love a bad name
