Atrocity, In My Veins

In the kingdom of the dead.

Fullmoon night in disguise, I look up to the eternal skies My mind infected evil, live my life not only twice I have wakened all the pain which grove the world insane You see the infernal black, you know me, I bring you Down, down on your knees you're tasting the disease, you see Never cross my ways Death, Death in my veins Hate, Hate in my eyes Your life was ended When you surendered Just by my fingertip Death< Death in my veins... in my veins & amp; guot; Wherefore, O king let my councel be accepted unto thee and break off Thy sins" Eyeball like fire, pain and desire, you're ffeling the reging hate Endless enduring, godforsacen creature, along to survive Death, Death in my veins and I send youu to your doom, dwelt your mind. Rape your soul, I like you to consume, endlessly in the dusk, All night I hear you scream Death, Death in my veins Like an one thousand year darkened dominion - The field of the dead seed Burnt and withered, you would never consider to an once prospering land Day is night and night is day
