## Atrox, Ruin

Out chasing kites and dragonets, loosing the track, jerking out of scrubs. Getting clasped by the cre Shattered gargoyles on the ground. Their eyes staring up on their pebble-drooling congeners and o Beheaded dismembered marble figures. Corroded disembowelled marble humans.

Marble limbs sprawling. Marble heads nuzzling. Marble genitals gaping and heaving in the grass. Marble strangling stone granite creatures revel. Stone reptiles strangling stone graph Stealing through, you'd expect to find the skeletons of the Sleeping Beauty's wooers in the hedges Inside Rooms without walls. Columns without ceilings to support. The capitals shedding dead Acar motion to become parts of the rustling on the floor.

Doors leading nowhere. Stairs spiralling into open air. Formerly secret passages now exposed, lea In one of the rooms a pile of tiny bones and a pointed hat atop of a tiny skull staring into the corner Strange... it seems as this palace decayed so quickly as if someone wanted to get rid of it. As if the entire host of Seraphim gathered in zenith and wept it away with toxic tears.
