

Atrox, Tight Tie

Wearing my tight tie
My new white shirt
The official image
Is ready to start the day
Flawless on the outside
Deciding what role I'm playing
Got my lifestyle habit
I will not change
Polished I am...
Who do you want me to be?
Visions of grandeur
Big- big fantasy
Fixing what's dull in the reality
Change around
So I can soothe them all
You have no idea what's going on
And how I hide my tracks
I will deny every wrongdoing
This might be the cover story
This might be the big breakthrough
I'm in the news - I'm in the news
Marking off my territory
Putting up my fences
I can still see you...
