

# Attack Attack!, Stick Stickly

You never said that this would be easy (that this would be)  
So go on live,  
You never said that this would be easy (that this would be easy)  
So go on live.  
This is the best part of the message,  
And it only took one.  
We live for what he's worth,  
And that's more than you'll know  
He died for what he loved  
And what He loved was You  
I'll wait for you (I'll wait for you)  
You know I'll wait for you  
I'll wait for you (I'll wait for you)  
You know I'll wait for you.  
You never said that this would be easy (that this would be)  
So go on live,  
You never said that this would be easy (that this would be easy)  
So go on live.  
Bow your head  
Go on live.  
This is the time to let yourself go,  
Lord pick me off the ground  
You never said this would be simple  
So pull me in and turn around.  
You never said this would be simple (that this would be)
