Au Revoir Simone, Another Likely Story

Don't tell me It's another likely story Could've pinned it on you from the start Well I'm new here Doesn't mean I have to answer Silly questions or a shot in the dark You know I'm a child I keep this alive It gets harder I remember to remember Waking up again all over again If there's an echo Repeat days I'd likely let go And be the changes we are noticing When we're running wild We keep this alive Still i wonder Sights around us fade and underneath The ground shakes, things fall apart And no other than the voice of one another Keeps us safely moving on in the dark You know I'm a child I keep this alive
