Do you think (When you know you know it)
If we could go back in time (When you know you know it)
Do you think (Listen now, listen now)
That I liked you there (I will look for you there)

Won&#039;t you try (when you see, you see it)
Not to be so mean (when you see, you see it)
And we&#039;re now (Won&#039;t be long, it won&#039;t be long)

There are times that I

Why do you think
This will never work

There are times that I
Felt that this was right
There are times that I
Felt that this was right

Why do you think
This will never work
Why do you think
This will never work
