

Au Revoir Simone, The Disco Song

There's a bad reason
She just can't stay home anymore
Expectations rising
Life's too short
It's too clich

And you say, and you say
And you say, and you say
And you say, and you say
And you say, and you say

She knows when things are happening
Into the night, she's lost again
It's like no other feeling she says
"Here I am to save the day"

Wishing for the time of my life, she says
Wishing for the time of my life
Wishing for the time of my life, she says
Wishing for the time of my life
Wishing for the time of my life, she says
Wishing for the time of my life
Wishing for the time of my life, she says
Wishing for the time of my life

And you say, and you say
And you say, and you say
And you say
