

# Auburn, Best Friend

[Verse 1:]

The thought of this is killing me, it's been on my mind .  
Can't believe it's been right here after all this time .  
And even though I love you I can't seem to find someone who cares the way you do  
You know, I love the way we're always been nothing more than friends .  
So why do I give every man the stand up .  
Thought I was over this but once again I'm comparing you to him .  
And I find that there's no you in him at matters

[Chorus:]

Boy even though you're my best friend  
I can't help it whenever I compare you to him  
It's like I always do this  
With every single man  
And I hate that I can't find someone who's worth my time  
Just like my best friend .

[Verse 2:]

And I know you hear me say this all the time  
I don't do relationships cause I'm on my grind .  
But see your part of this  
Because I just can't find someone who knows me like you do  
Always brought out the good in me  
Don't know just what you see,  
Whatever it is, no other guy has even tried .  
Remember when you left one day and turned around and say "you're my best friend"  
And right there you made me cry .

[Repeat Chorus:]

[Bridge:]

I'm trying to let you know  
A part of me just can't let this go  
Never had a friend, [? ]  
With you it's so different  
I don't know what you did .  
But I know whatever it is  
I'm so grateful for you  
I'm so grateful for you  
[Repeat Chorus:]
