

# Auburn, Top Of The World

Yea

Haha

Uh huh

I see ya

Looking at mii from across the room

I can tell just by they face how they assume and I place a bet,

She ant a threat but they forget

I been a threat since I came out the womd

But they don't kno what I do, havent been where I'm from,

They don't kno who I kno, havent seen what I done

Yet

They continue to smile, when all the while I've gained a mile of roade

I can bet

I know when it comes down to it, I'd be the one to choose

To decide who got next

But den I'll be the best

Yes

Hands down no contest

Let's see who's more upset me or you

Wipe ya sweat

Know that's it's cool

It's just like chess, k pon to queen

Checkmate

[Chorus:]

Aaahhhh

I'm sittin on top of the world

As you can tell I'm not your average girl

I'm on top of the world{aaahhhh}

I'm sitting on top of the world

And all mii haters they got me (got me whistling)

Aaahhhh

And I be whistling on them haters like(aahhh)

Yea I be whistiling on dem haters

[Hook:]

For somebody to roll on the same pace as me

To flow so hard you still be classy

Easy to take it is like ya'll ask me this the reason it's so hard to pass me

Trynna find out mii history

Trust me it's not a mystery

You can find it where mii lyrics be

Dnt waste all of ya energy!

Who is she

Pretty soon won't be the question

They gone ask who's next on

I'm a show them in mii next song

What's wrong

You don't think I'm gne las long

You know how that make you sound

I make this clear you running to the finish but I'm already here

[Chorus:]

Aaahhhh

I'm sittin on top of the world

As you can tell I'm not your average girl

I'm on top of the world{aaahhhh}

I'm sitting on top of the world

And all mii haters they got me (got me whistling)

Aaahhhh

And I be whistling on them haters like(aahhh)

Yea I be whistiling on dem haters

[Bridge:]

Baby I'm what you like

I'm to flii

Baby I'm to flii

I'm what you like  
Baby I'm what you like  
I'm to flii
