Da da da da daa daa
Da da da da daa daa

You're not a smiling,
I come a long way just to see ya smiling,
You're not livin,
I come a long long way just to see ya livin

I guess some things have changed since i've been gone,
Because a something, a some-a-how, a some-a-where,
Has Gone Wrong

Da da da da daa daa
Da da da da daa daa

You're not a lovin,
I come a long way just ta feel your lovin,
You're not near me,
I come a long long way just to fell you near me

I guess some things have changed since i've been gone,
Because a something, a some-a-how, a some-a-where,
Has Gone Wrong

I cannot really clame to understand,
Cuz baby there is sumthin that I lack,
Or maybe there's been sumthin underhand,
Goin on behing my back

You really make me feel so insecure,
I feel like packin up and goin back,
Or maybe we should try a natural cure,
Come on baby let's hit the sack

Da da da da daa daa
Da da da da daa daa

Now you're lyin,
I've not come all this way ta hear ya lyin,
Now you're cryin,
I've not come all this way ta see ya cryin

I guess some things have changed since i've been gone,
Because a something, a some-a-how, a some-a-where,
Has Gone Wrong
