

Audio Adrenaline, Beautiful

We got music to soothe your soul
We're gonna get down with a little bit of rock and roll
We got rhythm to move your feet
We're gonna make you get up off your seat

Chorus:

When I lift You up they come running
When I sing Your song the world's turning to You
Just the sound of Your name is a beautiful thing
I love You, I love You, I love You

Your name is beautiful
It drips off of my lips like drops of gold
It makes me want to dance
You're my treasure, my deliverance

Chorus

when i lift you up
when i lift you up
when i lift you up
