If you want love in your life  
J.E.S.U.S. is right  
If you want peace in your life  
J.E.S.U.S. is right  
If you want some happiness  
J.E.S.U.S. is right  
If you want some truth in life  
J.E.S.U.S. is right

(Chorus)

J.e.s.u.s. is right  
J.e.s.u.s. is right  
J.e.s.u.s. is right

If you want to save the world  
J.E.S.U.S. is right  
If you want peace in the world  
J.E.S.U.S. is right  
If you want to do what's right  
J.E.S.U.S. is right  
If you want free of the world  
J.E.S.U.S. is right

(Repeat chorus)

Homefront pressures got you down  
J.E.S.U.S. is right  
Girlfriend/boyfriend got you down  
J.E.S.U.S. is right  
Lost it all and nothing left  
J.E.S.U.S. is right  
If your future's looking down  
J.E.S.U.S. is right

(Repeat chorus)

(Bridge)

Sin slips in your soul is gone  
Visions explode your mind erodes  
Your brain has took a trip  
You're on a dive  
You're falling fast  
You cannot live; you cannot last  
You can't recall life at all without pain

"Let the little children come to me and do not hinder them,  
For the kingdom of God belongs to such as these.  
I tell you the truth: Anyone who will not receive  
The kingdom of God like a little child will never enter it."
