

Audio Adrenaline, Jesus Movement

Have you ever been so inclined
Yeah, is it on your mind
The thought we're the Lord's lone protege
Well I thought we were the only hope
Yeah, the world's safety rope
Americana has come, come to save the day
Imagine my surprise
When I realized

CHORUS- Everywhere I go I can see
I'm not the only one
Moving moving to Jesus

I went down to Mexico
Mi amigo
And I found Jesus living outside the USA
Imagine my surprise
When I realized

CHORUS
