

# Audio Adrenaline, Leaving Ninety-Nine

I'm lost and broken all alone on this road  
The wheels keep turning but the feeling is gone  
when I fear I'm on my own  
But you remind me i am not alone

I'd leave ninety-nine  
Leave them all behind  
To find you, for you alone  
I'd leave ninety-nine  
Leave them all behind  
To find you

It's dark and lonely and the path is unclear  
Can't move my feet because I'm frozen with fear  
And you say my child, my child  
i am always here, i'm at your side

I'd leave ninety-nine  
Leave them all behind  
To find you, for you alone  
I'd leave ninety-nine  
Leave them all behind  
To find you

You're never too far down  
I promise you'll be found,  
I'd reach into the mud, miry clay  
Pursue you to the end,  
Like a faithful friend,  
Nothing in this world,  
Will keep me away

I'd leave ninety-nine  
Leave them all behind  
To find you, for you alone  
I'd leave ninety-nine  
Leave them all behind  
To find you...  
To find you...
