

Audio Adrenaline, Let My Love Open The Door

When people keep repeating
That you'll never fall in love
When everybody keeps retreating
But you can't seem to get enough

Chorus

Let my love open the door
Let my love open the door
Let my love open the door
To your heart

When everything feels all over
When everybody seems unkind
I'll give you a four leaf clover
Take all the worry out of your mind

Repeat Chorus

I have the only key to your heart
I can stop you falling apart
Try today, you'll find this way
Come one and give me a chance to say
Let my love open the door
It's all I'm living for
Release yourself from misery
Only thing's gonna set you free
That's my love

Repeat Chorus

When tragedy befalls you
Don't let them bring you down
Love can cure your problems
You're so lucky I'm around

Repeat Chorus
