

# Audio Adrenaline, Lift

Count them, every one  
All of the million things You've done  
You are the Lord of my life  
And I roll them over and over  
In my head, in my head  
But I don't understand  
But I'm glad You're in my life  
And I lift you up so high  
I forget about the world I'm living in  
Lay it at your feet  
I'm giving in  
My joy inside  
I cannot hide  
I love to lift you up  
Lord I love you  
You're the Father's hand at night  
You're the sunshine in the day  
And I long to be with You  
All my days  
In old age if I'm still hanging around  
I'll be found around with You  
And I lift you up so high  
I love to lift You up
