

# Audio Adrenaline, Light Of The Sun

It only took a moment  
To turn my life around  
The sky was cracked wide open  
It tore these four walls down

It was the light of the sun

The beauty that surrounded me

Was like nothing I had seen  
The sky was filled with colors  
And all creation sings

I never wanted anymore  
Than I could fit inside my hands, inside my hands  
It was the light of the sun
