

# Audio Adrenaline, My God

Buddha was a fat man  
So what?  
Mohammed thought he had a plan  
I guess not  
A Hindhu god is an old cow  
You can be a god if ya knew how

My God died on the cross!  
My God died on the cross!  
My God died on the cross!  
But he lives!

My God is the only God  
He's the only God that lives  
He loves, He cares, He makes, He shares  
An eternal life He gives  
He took the pains that shook the chains  
That rattled all of hell  
Now you may think I'm crazy  
But, only time will tell  
Yo

Buddha was a fat man  
So what?  
Mohammed thought he had a plan  
I guess not.  
A Hindu god is an old cow  
You can be a god if ya knew how

My God died on the cross!  
My God died on the cross!  
My God died on the cross!  
But, He lives!

There's a man over there  
Standing on the street  
He says, "I'm a god."  
But, I think, he's a freak.  
Many different men are just what they claim  
A moonie a mormon a man from Mars  
A little off track but they have nice cars

Buddha was a fat man  
So what?  
Mohammed thought he had a plan  
I guess not  
A Hindu god is an old cow  
You can be a god if ya knew

My God died on the cross!  
My God died on the cross!  
My God died on the cross!  
But He Lives!

CHOIR:  
My precious Jesus died upon the cross  
My precious Jesus died to save the lost  
But He live yes He lives my Jesus Lives  
He walks He talks He loves He rocks  
My Jesus lives

TALKING:  
This is Reverend Booty  
I want to talk to you this morning

About Jesus  
That's right, Jesus  
Can you say, Jesus?  
Hallelujah, sistah!  
Yesterday, a man comes up to me  
He said, "Reverend Booty, I believe in a big fat cow."  
I said, "My God died on the cross not at McDonalds."  
Hallelujah, say, Jesus, Jesus lives, Jesus lives.

Buddha was a fat man

I guess not  
A Hindu god is an old cow  
You can be a god if ya knew how

My God died on the cross!  
My God died on the cross!  
My God died on the cross!  
But, He lives!

There's one important thing  
That you should know  
Jesus Christ paid the price  
We all think it's nice  
Spread His arms and died for me  
But we're not doing what we can  
We need to go to our work and our school  
Tell all the people that  
Hey, God Rules!

A Hindu god is an old cow

My God died on the cross!  
My God died on the cross!  
My God died on the cross!  
My God died on the cross!
