

# Audio Adrenaline, Tremble

Shaking like a leaf  
Afraid to lift my eyes  
Afraid of all Your glory  
Ashamed of all my pride  
Then You call me in  
To Your holy place  
I fall down  
Down on my face  
And I beckon You for mercy  
And I beckon You to forgive everything that I've ever done  
And I tremble  
And I tremble  
I am just a man  
Showered in Your grace  
You are the Holy God  
Your Glory fills this place  
And I beckon You for mercy  
And I beckon You to forgive everything I've ever done  
And I tremble  
I tremble
