Audio Bullys, Way Too Long

Nobody's been comin round your way Have you been hearing wat they say? They were your buddies yesterday But you took too long to pay Have you heard the latest news about the cat that got slapped and bashed and bruised Yeah, I wouldn't wanna be in his shoes Now the kid's got fuckall to lose broken friendships too hard to mention ran round in venture only invention as we step from old to new Andy knows we always wanted to check the things we do All those kids who were your mates You've let them sitting on their hate When you're asleep or you're awake You cannot hide from your mistake Has he checked the fresh tickets? get my fuckin money or you get my fuckin fist personality switchin' twitchin Like the girls in the springer show bitchin' boy's in major shit now Hasn't even got a little bit now cuz he was out on the town knockin drinks down spendin all his money and throwin it around Nobody's been comin round your way Have you been hearing wat they say? They were your buddies yesterday But you took way too long to pay All the kids who were your mates You've left them sitting on their hate When you're asleep or you're awake You cannot hide from your mistake Have you seen where stevie's been? Well, i've seen him round the way, If you know wat i mean... where? well, he was at the club last night drinkin with a girl and she looked a bit alright What the fuck is he doin? Spending all my money on a girl now im screwin I only ticked him for a favour and he pays me back with that kinda behaviour? And that just seems to be the way things go down just enjoyance to the point of no return lets get paid lets just get paid And that just seems to be the way things go down just enjoyance to the point of no return lets get paid lets just get paid And that just seems to be the way things go down just enjoyance to the point of no return lets get paid lets just get paid
