

# Audio Karate, Betrayed

How could you take my girl away?  
When i told you everyday but you took her anyway  
From me  
I stand alone heartbroken  
Not one word is ever spoken  
And there's nothing left to say to you  
And everywhere i go  
You're stuck inside my head  
Why can't i get you out?  
I guess i can't let go  
The memories i have are burning out again  
And i would never walk away  
Forever I would stay  
But you took her anyway from me  
How come you messed with my girl  
You betrayed the trust that I had with you  
And i would never do the same to you  
I could never see the truth  
From underneath is hidden in his lies  
I could never see the truth  
From underneath he's taking her from me  
There was always something in the way you looked at me  
All I've got are memories  
I find them hard to keep  
I love the way it used to be  
How can you take from me  
Crossed in two i stand alone  
Betrayed  
Because of you  
Because of you
