

Audioslave, What You Are

When you wanted me i came to you
when you wanted someone else i lived through
when you asked for that i set myself on fire
and if i go
far away
i know you'll find another slave

cause now i'm freed
from what you want
now i'm free
from what you need
now i'm free
from what you are

when you wanted love i cut my veins
and when you wanted love i bled myself again
now all i've had i still love you
i'd give you up forever
and here i go
far away
i know you
you'll find another slave

cause now i'm free
from what you are
now i'm free from what you need
now i'm free
from what you are

than a vision came to me
when you came along
i gave you everything but then you wanted more

cause now i'm free
from what you want
now i'm free
from what you need
now i'm free
from what you are
hey
now i'm free
from what you want
now i'm freed
from what you need
now im free
