that's me
call me
you can have it all
spin me
love me
don't let me fall

Touch me
Hol me
you can have it all
Spin me
Love me
But please don't let me fall

that's me
call me
you can have it all
spin me
love me
don't let me fall

Touch me
Hol me
you can have it all
Spin me
Love me
But please don't let me fall
