

Audiosoulz, Oh! My Mind

Oj, my mind
Now my mind is blown
No suprise
Guess I shold have known
You've gotta control of me
Break my barricade
Walls are crumbling
Every single time you stay
A cave
You come to save
Oh oh oh
But it's a way too late
Every single time you stay
A cave

Oj, my mind
Now my mind is blown
No suprise
Guess I shold have known
You've gotta control of me
Break my barricade
Walls are crumbling
Every single time you stay
A cave
You come to save
Oh oh oh
But it's a way too late
Every single time you stay
A cave
