Once for you to know
The questions of life
It's the heart I open your surprise, no
Just tell me when you decide to free your mind
Just tell me when you decide to free your mind
Sometimes it feels like we're more dead than alive
Sometimes it feels like we're more dead than alive
Sometimes it feels like we're more dead than alive (x4)
I don't want to understand that I don't alive
..... stop me so
And you want me to go
You just don't know where you wanna go
There's no time you want
What you want from me
You don't have to mystery
I've got the strangest feeling
That somebody's whispering in
I've got the strangest feeling
That somebody's whispering in my mind
I've got the strangest feeling
That I'm rolling
I'm rolling out of time
